Covenant House Shelter intake is open 24/7, however, the youth will need to have medical clearance from a health provider before moving onto one of the regular residential floors. Covenant House will arrange for the clearance immediately upon the youth presenting for intake.

During hours when medical providers are not available, youth will be placed in an isolation room on a separate floor until a provider is able to give medical clearance.

### DYCD Youth Hotel Isolation Beds:
The DYCD youth isolation hotel beds are no longer running. If you have questions, or have a youth in need of isolation please contact Randy Scott, NYC RHY Coordinator/DYCD at (646) 457-2705, to get more information about gaining access to a OEM bed.
